

[Elderly • Health Promotion Meals] × [Patented Enzyme Utilization • Inner Care]

We are planning to provide patented enzymes and offer our company's bento manufacturing and home delivery services.

weapon called "Patented Enzymes" to support health longevity]

[Uniqueness]

Secure enzymes that have received patents to health maintenance and nutrition absorption for the elderly.
High nutritional value and health maintenance tailored to the chewing and swallowing of the elderly.
Enzyme, Kurokea, based on patented enzymes.

[Proposition]

In just equipment and service provision, cross-selling "Patented Enzyme Products" from "Inner Care" perspective.

A package as "killer content" to differentiate from other companies.

Premium Package Offer

[Business Model Realizing Patented Enzymes x YaoGu]

Developing our company's next-generation showroom stores. Also promoting "Patented Enzyme-containing" bento contract business for the elderly.

In addition to general sales (bentos) in stores, promoting contracting and delivery of "Patented Enzyme-containing prepared foods and bentos" targeting regional senior care facilities and the senior population.
