On March 3, 2026, we conducted a “YaoGun-Pro & Future Kitchen Experience Event” at our head office.

Demonstration Flow

1. Preparation of ingredients

2. Set ingredients

3. Select cooking mode

4. Start cooking

5. Display cooking progress

6. Cooking completed

Finished dishes

Upcoming Information

We plan to open a demonstration model room from July 2026.

You can experience our cooking performance up close in a real kitchen environment. Details will be announced soon.

From July 2026, we will hold a “Free Regular Seminar” every Saturday (reservation required).

We will introduce the features and benefits of YaoGun-Pro in an easy-to-understand way. (Duration: about 60 minutes)
Please feel free to contact us for details.

From July 2026, we will recruit one authorized dealer in each prefecture across Japan.

We are looking for passionate partners who can provide the value of our products in their local areas. Please contact us for further information.

Eligible for the SME Labor-saving Investment Subsidy.

If you purchase this machine, you may be eligible for a subsidy.

Initial cost for application support: 200,000 JPY (separate).
